Information about materials regarding to directive 33 REACH 1907/2006

Dear Ladies and Gentlemen,

Thank you for your inquiry regarding the compliance with directive EG Nr. 1907/2006 (REACH).

The Kerafol GmbH is a downstream user and we will meet all requirements of this directive. We will inform you about all changes made to our products due to the directive 33 REACH within our business relations. Necessary changes in particular cases will be discussed with you personally.

All substances needed have been pre-registered by our suppliers.
Further we expect the registration of substances for our application.

For any further information/questions please feel free to contact us.

Notice:

All previous statements are based on currently available informations. These statements are not legally binding for Kerafol GmbH. We give no assurance of the completeness and accuracy of the statements, and we do not assume liability for damages made by believing in these statements.

Kind regards
Johann Huber
