

# MH&W INTERNATIONAL CORP. MAGNETICS DIVISION

## LINE CARD

### Ferrite Cores

**TDK** and **TDK-EPCOS** the most technically advanced manufacturers in the world.

PC47/PC90/PC95(Power), N97/N92/N95(Power), HF90/T35(CMC)

**MMG-India** Advanced power ferrites (F48) and linear ferrite materials (P11/12) for broadband/notch filters, specializing in European style ferrite shapes

**Nicera** Broad temperature Power material and CMC ferrite specializing in Asian style ferrite shapes

**TDG** the largest manufacturer of ferrites in the world.

TP4D/TP4F/TP5B(Power), TBP22/TPW33(Power)

**CM Technology** Amorphous Beads for high voltage surge suppression/EMI filter/noise protection.

Specialist in supplying non-standard magnetic materials, ferrite shapes and sizes. Typical Core Shapes: UU Cores(3.0 – 6.0in), EE Cores(3.0 – 8.0in), Toroids(3.0 – 6.0in), Clamp-on EMI Filters, Iron Powder

### Powder Cores

**Chang Sung (CSC)** The world's largest producer of powder cores.

Including Sendust, MegaFlux, HighFlux and MPP.

Core Shapes: Toroids, EE/ER/EER, EQ, Block/Ellipse

### Nanocrystalline/Amorphous Cores

**Magnetec** Premier producer of Nanocrystalline Cores in the world.

Cores for Common Mode Choke, EMI Filter, Current Transformer, Motor Bearing Protection, Smart Grid Metering, Overvoltage noise protection.

### Bobbins & Accessories

**Win Shine, Norwe, Schwarzpunkt, and Pin Shine**

Thermoplastic Bobbins from China and Germany.

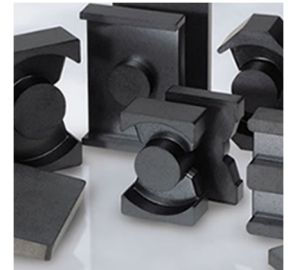

Thermoset Bobbins from Germany.

Stainless Steel accessories from Asia and Germany.

### Ultracapacitors

**Nesscap** premiere producer of Ultracapacitors and Pseudocapacitor provides 1s – 30s voltage hold-up at 2.3V and 2.7V, 3.0F – 6,000F. High voltage standard and custom modules for metering, welding, crane, forklift, fuel cell, electric vehicle, car audio, SSD and other applications

### **DROP SHIPPING!**

MH&W can drop ship most parts direct to almost any location in the world.

- ✓ shorter delivery times
- ✓ lower cost per unit
- ✓ no 'detour' via the USA

### *Coming soon* **MH&W-DIRECT!**

- Ecommerce website
- Order samples and small quantities direct
- Build customized quote requests
- Browse product catalogs and documentation
