

Press release January 2007

MAGNETEC-Hungary: Heves County Innovation Price awarded to Rolf Röder

The Managing Director of MAGNETEC-Ungarn Kft, Mr. Rolf Röder, is awarded with the 2007 Heves County Innovation Price. With this annually granted price by the Heves County Chamber of Commerce and Industry rewards outstanding results in development (product and technology development, high-tech production projects) and in the protecting of intellectual property. It was handed out to Mr. Röder during the traditional New Year's ceremony on the 04 of January 2007 in the Eger-Park Hotel. The event was accompanied by 150 representatives of politics, commerce and local media. The Gyöngyös television broadcasted a report of the event with an interview given by Mr. Röder.
